A "Tasty Note" on Hors d'oeuvres:

Hors d'oeuvres are sometimes served with no meal afterwards. Hors d'oeuvre may be served at the table, as part of the sit-down meal, or they may be served before sitting at the table. Hors d'oeuvres prior to the meal are either stationary or passed. Stationary hors d'oeuvre are also referred to as "table hors d'oeuvre." Passed hors d'oeuvre are also referred to as "butler- style" or "butlered" hors d'oeuvres.
